

PARTICIPANT IDENTIFICATION NUMBER AND EVENT REGISTRATION PROCEDURE

1. PHYC/SYC Race Committee (RC) will assign all participating yachts a unique "Participant Number (PN)." This number will typically be the last several numbers of a yacht's sail number, usually three (3) digits. Similar or conflicting numbers may further be identified by an "alpha" designator.
2. All participating yachts will be identified by and utilize their PN for the entire PHYC/SYC sanctioned racing season.
3. No later than one (1) hour prior to the start of the first race of any/all racing on a given day, all participating yachts shall cause their PN to be physically recorded with RC at their respective locations as follows: the Race Building for boats at PHYC East, the Property Building for boats at PHYC West and the Race Shack for boats at SYC.
4. All check in locations will be open for registration from 0800 to 1000 hours on race days.
5. No later than one half (1/2) hour prior to the start of the first race of any/all racing on a given day, a RC designee will communicate all registrants to RC "on the water."
6. Any participant retiring from or revising their racing status shall notify RC with their PN as soon as practicable but not later than one (1) hour after so doing. Failure to comply with this requirement may result in protest by RC.
