

NOVEL CORONAVIRUS (COVID-19) HEALTH CHECK

Entrance on site is conditional upon review of the below statements.

By SWIPING past this point, you confirm all your responses are “NO”.

If you have any “YES” responses, you are not permitted on site.

If you have been in isolation or quarantine you must receive An ALL CLEAR from Lambton Public Health before entering.

1

In the past 14 days have you had any of the following COVID-19 symptoms? (This excludes symptoms related to a pre-existing condition, (e.g. allergies, asthma, hoarse voice.)

- | | |
|---------------------|---|
| Fever | Difficulty breathing |
| Chills | Headache |
| Cough | Fatigue/malaise/weakness |
| Sneezing | Muscle/joint aches |
| Sore throat | Digestive symptoms (<i>nausea, vomiting, diarrhea, stomach pain, difficulty/painful swallowing, loss of appetite</i>) |
| Runny/stuffy nose | New loss of sense of smell/taste. |
| Nasal congestion | |
| Shortness of breath | |
| Pink eye | |

4

In the past 10 days, have you

- or anyone in your household tested positive for COVID-19?

5

In the past 14 days, have you had close contact with:

- any person who is considered to be a suspected, probable, or confirmed COVID-19 case?
- any COVID case associated with an outbreak (e.g. at a facility or associated with a mode of transportation such as a flight or cruise)?
- any person who is experiencing COVID-19 symptoms while in quarantine for any reason?

2

Are you currently under quarantine or isolation per public health requirements for any reason?

In the past 14 days, have you travelled outside of Canada (including to the U.S. except if you have an exemption)?

3

Are you awaiting testing or for the results of a COVID-19 test because you had potential exposure to COVID-19 or had or have COVID-19 symptoms?

6

Have you taken any symptom-modifying medicine in the past 24 hours to manage new/acute symptoms (e.g. fever reducing or cough suppressing)?

Thank you for helping stop the spread of COVID-19.
