1. How will you ensure all workers know how and are able to keep themselves safe from exposure to COVID-19?

- Covid safety protocols and information posted around the workplace
- Pre-race Ministry of Health Covid-19 safety guideline review

2. How will you screen for COVID-19?

- Passive Covid-19 checklist screening
- Ongoing self monitoring
- Following Ministry of Health COVID-19 Safety Guidelines

3. How will you control the risk of transmission in your workplace?

- Staff only in building
- Social distancing

- PPE when social distancing cannot be maintained.
- Buildings all have abundant windows/doors to open in order to provide cross flow ventilation.
- Ongoing daily cleanings and disinfecting of common touch surfaces

4. What will you do if there is a potential case, or suspected exposure to, COVID-19 at your workplace?

- Individual will be separated from the others, mandatory PPE/hand hygiene
- Physical distancing must be maintained from sick individual
- Must report to and isolate as per Lambton Public Health and follow their direction to notify potential exposures
- Following Ministry of Health COVID-19 Safety Guidelines

5. How will you manage any new risks caused by changes to the way you operate your business?

- Pre-race Ministry of Health Covid-19 safety guideline review

6. How will you make sure your plan is working?

- Pre/post race interaction with employees to monitor compliance and need for improvement
