

# Racing News

June 12, 2024

June is here and all of our series have started. Thank you to everyone who has contributed to the start-up of the race program. We have been busy launching marks, taking registration, finding event volunteers, and working in the race shack. It takes a dedicated team to offer the variety of racing offered by SYC/PHYC and MORC.

This month I want to highlight the Lake Huron Championship coming up on August 3/4. This is a windward/leeward regatta format event with set inflatable marks. One-design racing is available for C&C35, S27.9, Melges 24, and Sharks. PHRF and JAM classes are also offered. Please register early to help the organizers plan (particularly the one-design classes).

June brings a lot of guests to our club with the Melges, Shark, and Sailfest(July) regattas lined up for the end of the month. Thank you in advance to the members for being welcoming and patient with our guests. It is a busy time at the club but it is important to our race program to be able to offer these one-design opportunities.

Save the date - June 29th the membership is invited to join the Shark fleet for live entertainment in the clubhouse. NOTE: The Shark fleet participates in [Clean Regatta - Sailors for the Sea](#) and plastic cups will not be available at the bar. Bring your clean reusable cup or one will be available for purchase for a small fee.

Lastly, I want to invite you to send me your racing pictures and news to [kbechard@gmail.com](mailto:kbechard@gmail.com) so that I can share some highlights in the July newsletter.
